## Quality Assurance Survey Annual Assessment for Parents, Friends, Employees

*But Jesus called them to Him and said, "Let the little children come to me, and do not forbid them; for of such is the kingdom of God." Luke 18:16 (NKJV)*

The faculty, staff and administration of **Mud Creek Christian School** work hard to offer the best environment for learning and loving care, and the highest quality education possible. As a parent, employee, associate or friend, it's important for us to know how well you think we are doing so we can continue to improve this dedicated service. Please take a moment to share your opinions, observations and ideas with us on this annual assessment. Please describe any issue important to you so we can examine all areas of our ministry. When completed, please return this survey to a teacher or to the school office. You do not have to sign your name. Thank you for helping build God's kingdom! — *Steve Norwood, Director*
